

Special seminar announcements

SLU Biocenter and Uppsala Microbiomics Center (UMC)

Professor Liping Zhao (Shanghai Center for Systems Biomedicine, Shanghai Jiao Tong University, Shanghai, CHINA)

Title: Integration of metabonomics and metagenomics for understanding human organismal level complexity

Date, time and place: August 28, 2006 (13:00), Room D, Genetics Center, SLU

Dr. Nathan VerBerkmoes (Oak Ridge National Laboratory, Oak Ridge, TN, USA)

Title: Proteogenomic approaches for the molecular characterization of natural microbial communities

Date, time and place: September 4, 2006 (13:00), Room D, Genetics Center, SLU
